Objective of Program : Main Focus of the program will be on selection in JEE- Main and then JEE-Advanced along with very good All India rank (AIR). We put equal focus on board exam by clearing basic concept and covering the entire school syllabus. Besides this the focus would also be on keeping the student dream alive so that they remain on track.

Ideal For : This Program is ideal for those students who wish to make their career in Engineering and pursue their study with the best available Engineering Collages in India and scoring excellent marks in class XII board exam so that they feel proud throughout their life. This program is also ideal for those who want to score good marks in XII boards.

Subject Covered : Physics, Chemistry, Mathematics and English

Board Covered : CBSE, ICSE & BSEB only

About The Program :

This program is known as the best program for the toughest exams like IIT-JEE. The whole syllabus of JEE is covered in two years time in a well defined way so that students can grasp it easily.

We pick the topic from its root level to provide our students a complete understanding of the basics so that they can apply it to solve various tricky and tough numerical's.

Complete school syllabus will be taken care so that students need not join any extra tuition or coaching for school exam/board exam.

It has been seen that student in two years program excel better in their board exam as well as in competition. Most of the top ranks are bagged by the students who did two years of coaching.
